#### Request for Applications: TCDD Journalism Fellows Program

The Texas Council for Developmental Disabilities (TCDD) announces the availability of funds for the TCDD Journalism Fellows Program. Through these grants, media entities will hire a journalism fellow who will publish content about people with disabilities and disability issues. Media entities will provide ongoing support and mentorship for the fellow, who will focus on disability-related issues in Texas and publish news and information about services and supports, people with disabilities and their families, and other topics.
